**NOTE:** Academic majors **not** listed **do not** qualify for additional terms of entitlements.

**To qualify for additional terms of entitlements, cadets in these majors must have also completed the following courses: Calculus I & II (or a math minor), Statistics I, and Operations Research/Management Science. The Calculus and Statistics courses must come from the school’s Mathematics (or equivalent) Department (not Business, Social Sciences, etc.). These courses are required by SAF and are non-waiverable.

**NOTE:** Degrees must be Bachelor of Science degrees. (Example: Switching from a B.S. in Mathematics to a B.A. in Mathematics will lead to a loss of scholarship.)
