## Chapter 1. Overview & Cycle Information

**1.1. Introduction.** The purpose of the Air Force Reserve Officers Training Corps (AFROTC) High School Scholarship Program (HSSP) is to provide an incentive to attract, recruit, and retain a diverse, intellectual, and leadership-focused talent pool of high school seniors and high school graduates with no full-time college experience. This talent pool will serve to meet accession objectives for the U.S. Air Force (USAF) and/or U.S. Space Force (USSF), hereafter referred to as Department of the Air Force (DAF). This guide implements and supplements established scholarship policies in AFROTCI 36-2011 *Cadet Operations*.

**1.2. Application Assistance.** Once you have started the scholarship application process, it is critical that you stay in contact with your scholarship technician. Your scholarship technician will be able to assist you with the application process and answer questions. For those with the last name beginning with A-K, contact [afrotc.hssp2@us.af.mil](mailto:afrotc.hssp2@us.af.mil); for those with the last name beginning with L-Z, contact [afrotc.hssp3@us.af.mil](mailto:afrotc.hssp3@us.af.mil).

**1.3. Prospective Applicants.** *Prospective applicants must intend to enroll in their academic program and enter the AFROTC beginning in the 2023-2024 academic year.* Prospective applicants planning to take one or more gap years between high school graduation and college entrance must apply during the cycle for the academic year in which they intend to enroll in college and begin the AFROTC program.

**1.4. Board Information.** The national selection board process is used to select the most qualified individuals to receive a 4-year undergraduate scholarship to AFROTC ideally leading to commissioning as a DAF officer. Eligible applicants compete and are selected for a scholarship offer based on individual merit. It should be noted that competition for an AFROTC scholarship is extremely competitive with only a small percentage of applicants being selected to receive a scholarship. ***NOTE: Award of an AFROTC scholarship does not guarantee commissioning as an officer in the USAF/USSF. All AFROTC cadets must compete nationally for continuation in the program during their sophomore year.***

**1.5. Board Schedule.** The following board schedule has been established with firm application cut-off dates. All application components and the interview must be received by AFROTC/RRUC by the cut-off date for an applicant to meet the respective board. Applicants are encouraged to complete all components accurately and as soon as possible to minimize processing delays. ***No extensions to established deadlines and cut-off dates are authorized.***

**Table 1.1 - AY23-24 HSSP Board Schedule & Key Dates. Refer to Chapter 5 for HSSP-SF as they are different.**

It is strongly encouraged that applicants should add the e-mail address [wings.donotreply@holmcenter.com](mailto:wings.donotreply@holmcenter.com) to their safe sender list with the e-mail service provider to ensure notifications are not treated/handled as spam by their email provider.

**1.7. Scholarship Offer Types.** AFROTC offers a **Type 1** (full tuition and fees) scholarship. Table 1.2 lists the **Type 1**, the scholarship benefits, and institution limitations. AFROTC will strive to align scholarship offer type and categories with each applicant’s preference, however, all offers are subject to needs of the DAF.

AFROTC scholarship awards are subject to the needs of the DAF. No exceptions to the below eligibility criteria are authorized.

**2.2 Program Entrance.** Intend to begin an undergraduate program at an institution with an AFROTC affiliation and enter the AFROTC program beginning the 2023-2024 academic year. Applicants planning to take one or more gap years following high school graduation should apply for an HSSP during the selection cycle prior to the academic year in which they intend to start an undergraduate program and enter the AFROTC program.

**2.3 Age.** Be at least 17 years of age at the time of the scholarship activation and enlistment, and no more than 30 years of age by 31 December of the commissioning year.

**2.4 Citizenship.** Be a United States citizen or able to obtain citizenship by the last day of the first term of your freshman year. ***Important: You cannot contract/activate scholarship until becoming a US citizen.***

**2.5 Standardized Testing.** Must have a minimum SAT score of **1240** or a minimum ACT score of **26**. You may submit multiple scores and AFROTC/RRUC will use the highest achieved score for the board application received as of the submission deadline outlined in *Table 1.1 - AY23-24HSSP Board Schedule & Key Dates*.

**2.5.1 SAT** and/or ACT scores must be received directly from the test administration authority (e.g., The College Board) electronically using the AFROTC scholarship program code **0548**.

**2.5.2** Super scoring from multiple tests **is not** authorized. Multiple tests may be submitted and AFROTC will use the test with the highest scores during the evaluation.

**2.6 Grade Point Average.** Must have a minimum unweighted Cumulative Grade Point Average (CGPA) of 3.0 as measured at the end of your junior year in high school. CGPAs provided cannot contain any coursework from your senior year. If your school uses a weighted CGPA, your school counselor must convert it to an unweighted CGPA.

**2.7 Physical Fitness Assessment.** Applicants must complete an unofficial physical fitness test (PFA). The test must be administered using the same methods and instructions as an official test, however, is not a pass/fail. A waiver may be requested if a temporary medical condition precludes you from completing one or more components of the PFA. You are only permitted to submit one PFA scoresheet. Subsequent PFA scores submission **will not** be accepted.

**2.8 Post-Secondary Institution Attendance.** Applicants must not have attended a post-secondary institution or academy prep school as a full-time student. Exception: Attendance as part of high school coursework (e.g., dual enrollment programs) is permitted.

**2.8.1** For the purposes of scholarship consideration, US Air Force Academy Preparatory Schools are considered post-secondary institutions.

**2.8.2** Students who have participated in a joint high school and college credit program prior to high school graduation may still apply. Students in this situation may apply after receiving an Associate Degree provided they were never a full-time student at a post-secondary institution.

**2.9 Home School Applicants.** Home schooled students are eligible to apply for an AFROTC scholarship.

**2.10 Prior Service.** Active-duty military members who have not previously enrolled in full-time college may apply for HSSP, if they have an established date of separation and meet the eligibility requirements outlined above. If the member intends to separate early from the military, the member must apply through the one of the Enlisted Commissioning Programs -

visit <https://www.afrotc.com/scholarships/enlisted/ascp-soar/> for more info. Guard and Reserve members may apply, but must obtain release from their component to contract with AFROTC by the activation deadline.

**2.11 Interview.** All scholarship applicants are required to complete an interview with an AFROTC detachment. Interviews cannot be scheduled until your application is determined eligible. Upon obtaining eligible status, your application will be referred to an AFROTC detachment, closest to your home of record, and they will contact you to schedule the interview. The purpose of the interview is to determine your potential as an Air or Space Force officer.

## Chapter 3. Completing your HSSP Application

**3.1 Application Information.** AFROTC will only accept scholarship applications via the online application accessible via <https://www.afrotc.com>. Application data is entered and stored in the Web Intensive New Gain System (WINGS) portal. All components of an application must be received by the established cycle schedule as outlined in *Table 1.1 - AY23-24HSSP Board Schedule & Key Dates* to be considered. ***No deadline extensions for any reason are authorized.*** We strongly encourage you allow 2-3 weeks to accomplish all components to avoid delays or missed deadlines. Processing time by third-parties (e.g., schools and testing authorities) should be considered when completing your application.

**3.2 Application Components.** Your AFROTC scholarship application consists of various components that will be used during the review process. For your application to be considered complete, you must accomplish all items listed in *Table 3.1 – Application To-Do List*. It is critical that you complete each item as soon as possible to ensure your application can be reviewed. A checkbox will appear next to each item as you complete it except for a few items that require review by your scholarship technician before being considered complete. For items that require scholarship technician review, please allow 2-3 business days before contacting your technician for a status. Submitted materials requiring review that are received near the application deadline may not show completed until after the deadline due to processing timelines. Provided we receive all items prior to the application deadline, your eligibility status will not be impacted by the review process for applicable components.

If we do not see a change in your interview status after 20 days from becoming eligible, our office will send you the contact information via email for your assigned detachment. A virtual interview may be conducted in lieu of the in-person interview at the discretion of the interviewing officer.

**3.5 Initiating Scholarship Application.** To begin the application process, visit [www.afrotc.com](http://www.afrotc.com) and select the “APPLY NOW” button located in the upper right hand corner.

After the account request is submitted, an activation code will be sent to the provided e-mail address with the subject line “Holm Center portal account activation.” The activation code will typically be a

five-character combination of letters and numbers. You must enter the code provided to activate your account.

**3.5.2** Once the account is activated, you will be able to sign back into the AFROTC WINGS portal. Your User ID is the e-mail address used to create the account. Once in the AFROTC WINGS portal, you will select the My AFROTC Application tile to begin the scholarship application. ***Important: Both the User ID and Password are case sensitive.***

***NOTE:** If you do not receive notification of your eligibility status after completing all components, contact your scholarship technician for assistance. Applications with more than 45 days of inactivity are automatically closed. Applications cannot be re-opened after the application deadline. The current projected dates for the board you have been assigned may be monitored on the Application Dashboard upon logging into WINGS.*

**3.10 Applicant Interview.** All applicants must be interviewed by an AFROTC detachment official or a United States Air Force Academy Air Liaison Officer (USAFA ALO) prior to being considered for a scholarship. Eligible applicants will be assigned to a detachment nearest their home of record as indicated on the application. Depending upon detachment interview load, applicants may be assigned to a non-local detachment or a USAFA ALO for an in-person interview. If you are not contacted by a detachment to schedule your interview within 20 days of becoming eligible, you will receive an email from our office with the detachment contact information to schedule your interview.

## **Chapter 4. Board Process & Results**

**4.1 Board Selection Process.** The HSSP selection board evaluates and scores each application record in the areas of academic, athletic, and leadership qualities. The board selection process is very competitive and it is important to ensure your application is complete, accurate, and received within the established schedule. Scholarship offers will be based on overall merit and are contingent upon meeting and maintaining AFROTC program standards. ***IMPORTANT:** Scholarship selection does not guarantee entry into the Professional Officer Course (POC). Scholarship retention beyond your sophomore year is contingent upon*

*successful selection for entry in to the POC. For more information regarding the POC selection process, please contact the AFROTC detachment at the institution which you intend to enroll.*

**4.2 Board Results.** Boarded applicants will receive notification of the board results on or about the projected release date identified in *Table 1.1, AY23-24 HSSP Board Schedule & Key Dates*. Projected release dates are estimates and the actual release dates may differ from those listed in this guide. To view the status and current projected release date of your assigned board, log into the WINGS Portal and click on the *Application Status* tile. Notifications will be sent to the e-mail address on file with your application.

**4.3 Re-boarding.** Re-boarding for any reason is not authorized following a scholarship award. Applicants should ensure that they have accurately identified their major preferences at time of application.

**4.4 Selection Packet.** Applicants offered a scholarship from either a central board or who have been extended a commander’s scholarship (CS) offer will receive a congratulatory e-mail with selection information. Scholarship recipients will also be provided a Scholarship Selection Packet via the WINGS Portal containing details on what the scholarship covers, post-selection actions, medical clearance information, major requirements for technical and foreign language scholarships, and other pertinent information. Recipients should ensure to read this information packet thoroughly and reach out to their scholarship technician with any questions.

**NOTE:** COVID-19 vaccination is now a mandatory requirement to contract with AFROTC. Cadets must show proof of completed vaccination before they will be permitted to contract into AFROTC. This applies to all HSSP offer recipients.

**5.2 Application Requirements.** Any policies or requirements not explicitly addressed in this chapter for the HSSP-SF program shall be covered under the HSSP policies and requirements.

**5.3 Commission Intent.** Applicants receiving an HSSP-SF offer are required to opt-in for the USSF Selection Board during their AS300 year to track towards a commission in the USSF. **IMPORTANT:** Receipt of an HSSP-SF scholarship is **NOT** a guarantee of commissioning into the USSF nor is it required to commission into the USSF.

**Note:** Eligible cadets not on an HSSP-SF scholarship will be afforded the opportunity to compete for a USSF commission while in the AFROTC program.

**5.4 Action Required for Consideration.** To be considered for a HSSP-SF scholarship you must meet all HSSP scholarship eligibility requirements **AND** opt-in to the HSSP-SF board by indicating on your HSSP application an interest in commissioning in the USSF. **The deadline to apply for HSSP-SF is 30 Nov 2022 and you must become eligible by 31 Dec 2022.** Applicants that do not indicate a USSF interest will only be considered for an HSSP scholarship.

**5.5 Competing for both HSSP and HSSP-SF scholarship opportunities.** Applicants interested in both an HSSP and HSSP-SF scholarship will compete for the HSSP-SF first. The applicant will not meet the first HSSP board (23HS01) rather they will compete on the HSSP-SF board (23SF01). If non-selected from the HSSP-SF board and depending on how they ranked on the HSSP-SF board, their application may or may not meet the last HSSP scholarship board of the cycle. Applicants will receive an email regarding the second HSSP board once HSSP-SF board results have been released.

**5.6 Board Information.** The HSSP-SF national selection board process will be conducted in three phases. During Phase I, AFROTC will conduct the initial evaluation of applicants for most qualified and eligible applicants. During Phase II, the USSF will invite applicants to complete a recorded interview. In phase III, the USSF will assess the eligible applicants produced during Phase I and II and make final scholarship selections. At the conclusion of Phase III, USSF will notify AFROTC of scholarship selects who in turn will send out board result notifications to applicants that met the board.

**Note:** As soon as a cadet has applied and is considered eligible the USSF will send out the invite for the interview. Applicants are encouraged to do this as soon as possible. All USSF interviews must be completed NLT 17 Jan 2023.

**5.7 Scholarship Offer Types.** The HSSP-SF scholarship offers will consist of the same types as available through the HSSP. Refer to the *Table 1.2* for the available scholarship types, the scholarship benefits, and institution limitations. AFROTC/USSF will strive to align scholarship offer type and categories with each applicant's preference, however, all offers are subject to needs of the DAF.

**5.8 Eligible Degree Programs.** Scholarships may only be applied towards an approved USSF technical major. For a list of USSF Technical degree programs, see *Attachment 2 - Approved HSSP-SF Academic Majors*.
